

**We Bring the World
to the Classroom Every Day**

We're proud to provide the newspaper to Clark County Schools everyday. Thousands of southern Nevada students and teachers use The Las Vegas Review-Journal and the Las Vegas Sun as learning tools in the classroom.

You can help.
Next time you take a vacation, instead of stopping your newspaper delivery, just call 383-0400 and ask to have your paper donated to a Clark county classroom during your absence.
